

April 2011

Hello and Happy Spring!

April – what is there not to love about April?

There is Easter, the nice weather to look forward to, good times with friends and family, and it is the time to make a reservation at Inselhaus B&B.

The Narcissus bloom so nice in front of the parking lot.

Karl is now from morning to night in the field and plants the corn and soybeans. He had big help from our son Arndt this spring. Arndt is a junior at Mizzou.

In addition to Sarah and Cynthia, we do have some new help. Nicole is an intern from WIU and we love how fast she picks up what has to be done. Ariel joined our team because her sister Jillian worked for us. All girls are fun to work with. And I do have a little bit time to be on the farm, too.

You may have noticed that we can be found on facebook. It is the new age and this old innkeeper has to be with it.

Check out our recipe page on the Inselhaus newsletter soon. There are some new recipes coming up for muffins, cakes and more. Those are all tried and approved by our guests.

If you like, check out what guests write about us at www.bedandbreakfast.com

Best wishes,

Dorothee and Karl
